Abhi Dadhaniya

MERN Stack Developer

`</>`

About Me

Hello, I'm Abhi Dadhaniya, a full-stack web developer at MERN Stack Technology. I'm currently trying my hands on NEXT.Js framework. Till now, I've completed a few projects on React.Js as mentioned in my portfolio and meanwhile, gained some experience in graphic design.

Following are my expertise:

◇ Dealing with API in React.JS.
◇ Developing REST APIs using Node.js & Express.js.
◇ Authentication with backend and database, using MongoDB.
